

The Energy University

COLLEGE OF COMPUTING & INFORMATICS

INDUSTRIAL TRAINING LOGBOOK

Name : Muhammad Alif Bin Masrul Nizam

Student ID : DC97511

Programme : Diploma Computer Science

Year :

INSTRUCTIONS TO STUDENTS:

1. Fill out personal particulars and the company's information.
2. Fill out the daily reports throughout the training.
3. Schedule a suitable time for the lecturer to visit the industrial training place.

Normally, the lecturer's visit will take place on **week 8 until week 12** of the training. You should liaise with the assigned visiting lecturer to schedule the visit.

4. Submit this logbook together with the Industrial Training Report to the assigned visiting lecturer not later than **two (2) weeks** after the training is completed or a date determined by the college. Please refer to the **Industrial Training Programme - Student's Report Guidelines** in writing the industrial training report.

**** Item 4 is subject to change and will be informed by the coordinator.**

INSTRUCTIONS TO HOST SUPERVISORS:

1. Monitor the student's progress every day. You may leave any remarks in the space provided.
2. Verify the student's activity by signing the logbook at the end of each training week. You may also leave any remarks in the space provided.
3. Assess the student's performance by using Host Supervisor's Evaluation (included in this logbook).

Name of Student : Muhammad Alif Bin Masrul Nizam

ID Number of Student : DC97511

Programme : Diploma Computer Science

Name and Address of Company Attached:

Maybank Berhad

Menara Maybank 100, Jalan Tun Perak, Bukit Bintang, 50050 Kuala Lumpur, Wilayah Persekutuan

I certify that the above named student has registered for the industrial training at our organization commencing from 10/07/2023 to 29/09/2023

Name of Supervisor : Rizwan Mohammed Sheikh

Designation of Supervisor : Head Of Digital Engineering

Signature and Stamp
of Organization:

WEEKLY REPORTS

WEEK 1

DATE	TASK	REMARKS FROM SUPERVISOR
10/7/2023	1) Onboarding process 2) Learning JavaScript 3) Introduce to Department	
11/7/2023	1) Learn Javascript 2) Collect and setup company laptop at mobile clinic	
12/7/2023	1) Setup related software for company laptop	
13/7/2023	1) Learn JavaScript	
14/7/2023	1) Finish setup software for company laptop 2) Learn JavaScript	
SIGNATURE OF SUPERVISOR
